## **Old Business:**

**Munch-a-Lunch:** Last one of the school year is next week. There is one invoice that still needs to be paid. As of tonight we were sitting at a \$2,800 profit.

**Art Auction - Dine and Design:** There is some cash to be picked up at the office for unpaid class and individual items. We are projecting to be close to even/a bit of profit this year. Bigger items didn't go for as much as they have in the past and lots of individual ones were left behind. Aura will look into transferring the School Cash payments for the meals over to us.

**Teacher/Staff Appreciation:** June 14<sup>th</sup> ended up being the date of choice. Sarah will send an email to the school so they can preorder certain items in our budget, as we have done in the past. She will also ask Fryer Tucks if we are able to e-transfer the bill amount.

**Fun Track:** The community truck was booked up this year, if we give them enough notice next year we can do the bbq'd burgers/hotdog idea. Aura will cook the hotdogs for us again this year and Sheri will look into the free popcorn at the Cineplex. If that is not a go, Sarah will purchase chips instead. We will need around 265 hotdogs/popcorn(or chips)/water to feed students and staff. Sarah will check if Tiffany can order the hotdogs and buns for us again this year. Aura will check if we have any ketchup and mustard packets left. We have four volunteers willing to participate for the day which is plenty.
