Approval of previous minutes: Approved

Old Business:

Bake Sale: Three quarters of the baking was sold out the first night of parent teacher interviews and by the second night only 4 items were left over. We made \$300 on this fundraiser.

Benoit Family: Due to the urgency of this situation, on December 17, 2024, Jodi made a motion via email to donate \$500 to the family. Jenn L seconded the motion and all were in favor.

Munch-a-Lunch: All the menus are set up for the rest of the school year.

West Coast Seeds: Jenn L mentioned that this fundraiser will be ran through their website using a QR code and we will run it in February.

New Business:

Valentine's Day: We spoke about doing a PM dance however it does not work with how the calendar lands. We will consider doing a spring dance instead. This year classrooms will do their own thing.

Field Trips: With all our extra fundraising for buses the school has asked if we can double our field trip allotment for each classroom. Ariana motioned that we double our field trip bussing budget from \$1620 to \$3240. Jay seconded the motion and all were in favor.

Elementary Athletic Association: For Grades 4-6 to participate in Track & Field this year there will be an additional cost that is not in the current budget. It will cost \$1.50 per participant for a total of \$148.50 for the 99 students plus bussing of

approximately \$540.00, totaling \$640.00. Candy motioned we transfer \$1,000.00 from gaming into general to cover this. Tiffany seconded the motion and all were in favor. Jay motioned that we use up to \$750.00 out of that \$1,000.00 in that general account for the Grade 4-6 Track and Field trip. Ariana seconded the motion and all were in favor. There was a suggestion to ask kids to bring a \$1 or \$2 to cover some cost as well if need be. Aura will look into it.
